A SIMPLE SONG

G D ' C G ' G D ' C G D '
G D ' C G ' G D ' C D G '

G   D   C   G
  I'm sitting in my room and playing the guitar.
G   D   C   G   D
  I'm not too skilled, but I'm really trying hard,
G   D   C   G
  I'm looking for melodies and chords that I do like.
am   D
  One after one they come to me,
am   D
  and soon I'll have a song, you'll see.

G   D   C   G
  The intro's down now and I'm working on this verse.
G   D   C   G   D
  I like the way it sounds, but I need to rehearse.
G   D   C   G
  I play it a - round and 'round, and soon I'll get it right.
am   D
  I know this song comes from above,
am   D
  it's sent from heaven as a gift from God of love.

C   G   D   em
  Na-na-na-na-na-na. I hum this simple tune.
C   G   em   D
  Na-na-na-na-na-na. That I will give to you.
C   G   D   em
  Na-na-na-na-na-na. Could need some lyrics too.
C   D
  It should be something that's of worth,
C   D   G
  to honor you, my dear, whom I love most on earth.

 D ' C G ' G D ' C D G '

G   D   C   G
  Another verse is added, that's how it should be.
G   D   C   G   D
  The song gets better then. Sounds nice, don't you agree?
G   D   C   G
  But I will keep it short, in case that you'll dis - like,
am   D
  'cause it's the chorus that will stuck.
am   D
  So let us play it one more time and it will rock!

C   G   D   em
  Na-na-na-na-na-na. I hum this simple tune.

C   G   em   D
  Na-na-na-na-na-na. That I will give to you.
C   G   D   em
  Na-na-na-na-na-na. Could need some lyrics too.
C   D
  It should be something that's of worth,
C   D   am
  to honor you, my dear, whom I love most on earth.

                         em
  A bridge in a minor key. (I tell you why!)
G   D
  'Cause I can't find the words that do express my
am   em
  love for Thee. I hope you like the music anyway.
C   G/B   C   Dsus   D
  Let's sing the chorus once again or what do you say?

C   G   D   em
  Na-na-na-na-na-na. I hum this simple tune.
C   G   em   D
  Na-na-na-na-na-na. That I will give to you.
C   G   D   em
  Na-na-na-na-na-na. Could need some lyrics too.
C   D
  It should be something that's of worth,
C   D   G
  to honor you, my dear, whom I love most on earth.

C   D   C
  But now the music needs to stop.
          D   am
I feel an ending coming up.
          G/B   C   D
I still haven't found out what to say, what can I do?
am   G/B   C
  Maybe this song was not the best,
               D   G
but still it shows my love for you,
D C G
       My love for
G   D   C G   D
you...
       G   D   C   G
for you...   just for
G   D   C   D   G
you.   Still it shows my love for you.
