YOU ARE THE ONE

```
You came to me and You were saying:
    am^7 ' C D^{sus} D ' em^7 am^7
                                                                                C
G am<sup>7</sup> 'C D<sup>sus</sup> D 'am<sup>7</sup> D<sup>sus</sup> D 'G
                                                                 "You're forgiven, you are free!
                                                                  Just take my hand and I'll be staying
                                                                           Dsus
                        D<sup>sus</sup> D
G
        C
                                                                  by your side, just follow me."
 I did feel so sad and lonely
          \mathbf{C}
when I chose to go my way.
                               Dsus D
                                                                 D
                                                                 And then, you changed my life, did turn it all a - round.
 You really are the one and only,
         Dsus
                  D
                                                                                        D
                                                                                                   C
 there is nothing more to say.
                                                                 It's true that I was lost, but now when I am found
                                                                                 Dsus
                                                                  You've taken all the burdens that have kept me bound.
                          D<sup>sus</sup> D
                                                                                                 Dsus
 On my knees I started praying
                                                                  And I'm so thankful for the grace you've shown me.
 many nights and many days
                                                                 G am<sup>7</sup>
                                                                                 \mathbf{C}
 I know I had been diso - beying
                                                                  You are the one that I love with all my heart.
          Dsus
                                                                                              D
                                                                                                   D<sup>sus</sup> D
                                                                  You're the only One for me.
 That's a fact I had to face
                                                                       am<sup>7</sup>
                                                                  And without You, I know my life will fall a - part,
              Dsus
 And so, one day, when I felt weak and income - plete,
                                                                  and that is not what's meant to be.
                             \mathbf{C}
 I heard a voice I knew, so beautiful and sweet.
                                                                 SOLO
 I got so nervous; I could hear my own heart beat
                                                                 //: em
                                                                                                     G G/F\# : // (3x)
                                                                               \mathbf{C}
                                                                                          Dsus
                                                                     em
   I didn't really know what I would do, 'cause...
                                                                   G am<sup>7</sup>
                                                                                  \mathbf{C}
                                                                 2) G
                                                                                  am<sup>7</sup>
